Re: Illinois House of Representatives Special Investigating Committee

Dear Ms. Livingston and Mr. Perisco:

We are proud to represent John Hooker. Per your letter dated September 18, 2020, we understand the Illinois House of Representatives has convened a Special Investigating Committee (the "SIG") and is currently investigating a matter in which Mr. Hooker is a potential witness. We further understand that, as part of that investigation, you are requesting the opportunity to interview Mr. Hooker. We kindly thank the SIG for reaching out to our office with this request, but we respectfully decline. Thank you.

Very Truly Yours,

/s/ Michael D. Monico
